

A Plot to Destroy the World

By Nyron Medina

A thick darkness has settled upon the world, men have forsaken God and the most extreme principles of Satan has taken hold of their minds with the most fanatic possession! Plots and schemes to destabilize the world and form a one world government are being fulfilled right before our eyes! It is time that we should know what is going on for we have reached the end, and the final events are about to ensue! The Quotations below are taken from a book named the Protocols of Zion, they are the plans of the Illuminati - a secret order, for world conquest.

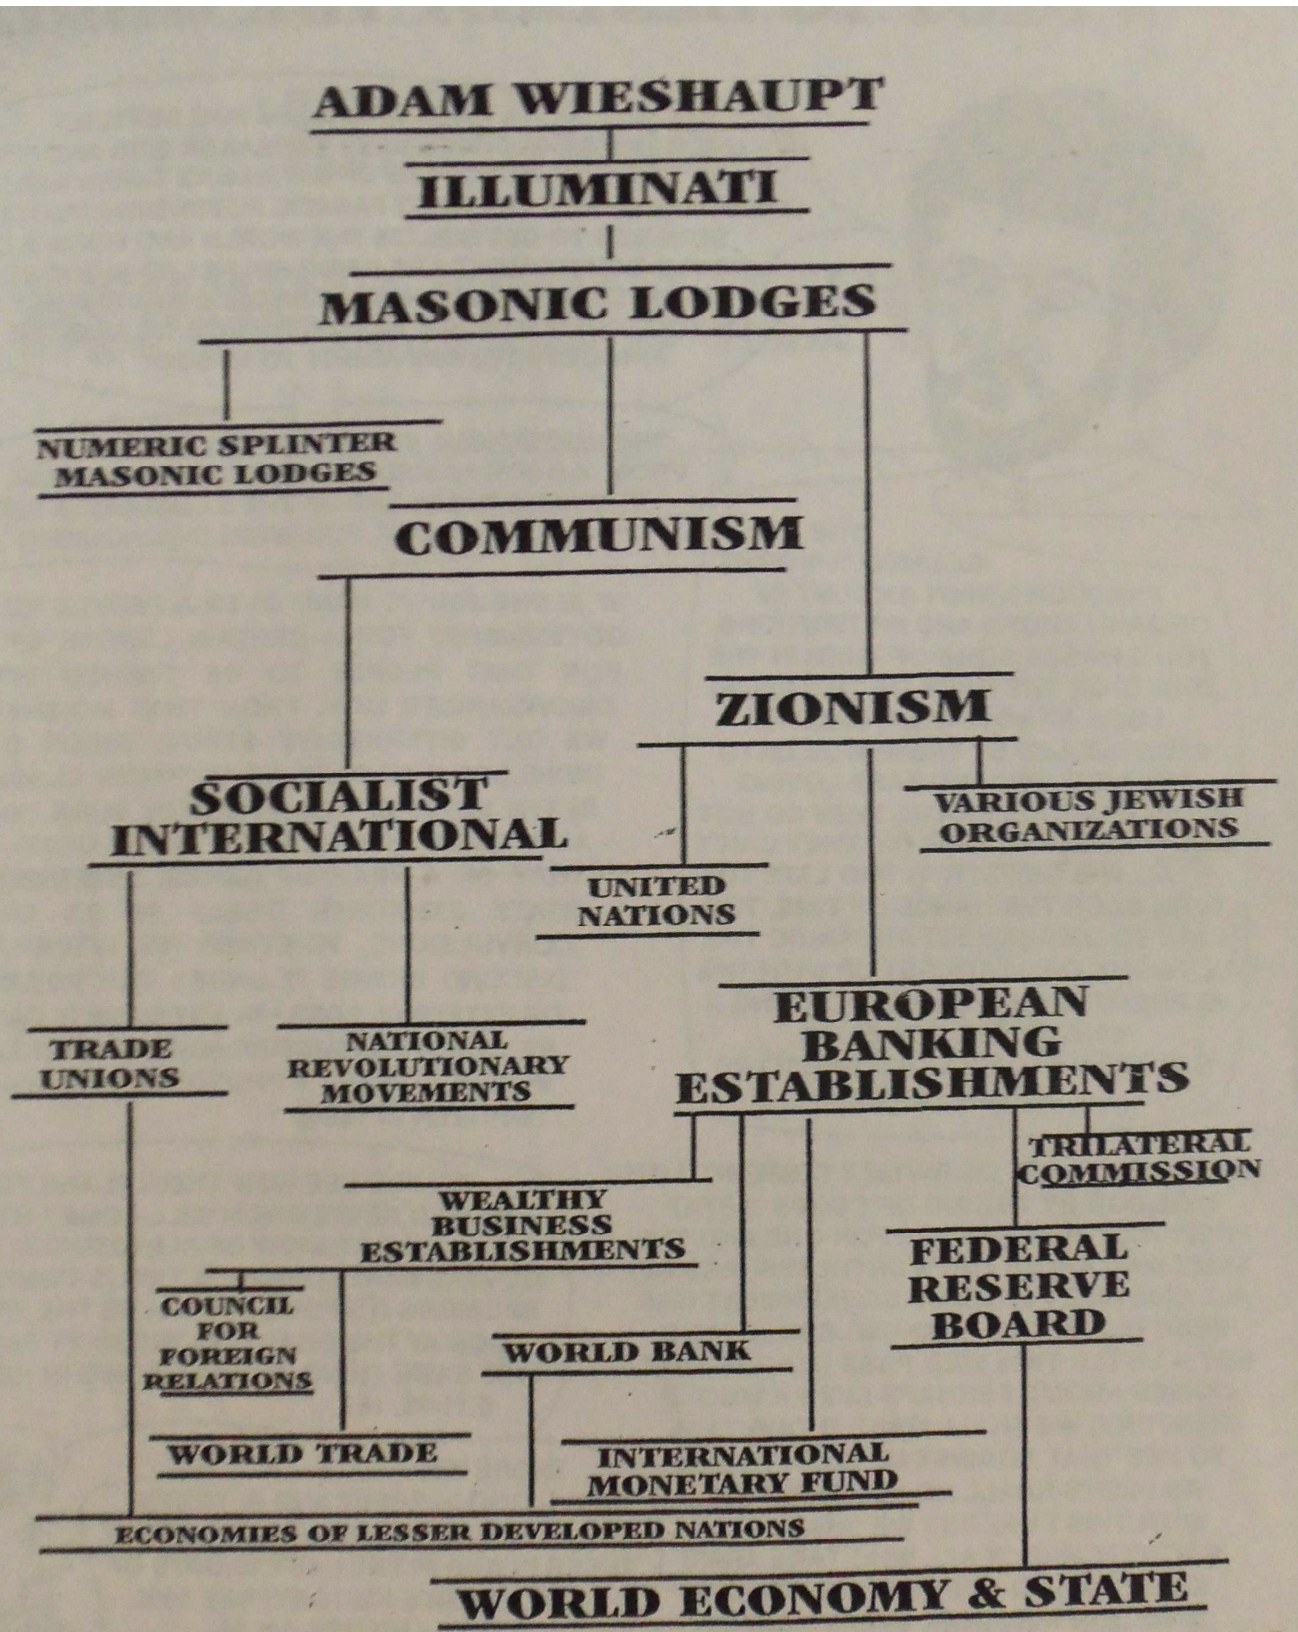

“It is enough to hand over a people to self-government for a certain length of time for that people to be turned into a disorganized mob. From that moment on we get internecine strife which soon develops into battles between classes. In the midst of which states burn down and their importance is reduced to that of a heap of ashes, whether a state exhausts itself in its own convulsions, whether its internal discord brings it under the power of external foes – in any case it can be counted irretrievably lost, it is in our power.” **Protocol #1 p 144 (Written in 1895).**

The illuminati works through a vast amount of organizations and institutions, you can see some of them in the chart on the next page. Look at how the world is controlled by them! Woe unto the listless and ease loving people of this earth, they do not know what is going on, they can't read the news! It is too late to turn back the hands of time, too late to disconnect and undo the network of death set up with the expressed purpose of forming a one world atheistic government, millions are to be slaughtered!

“When we at last definitely come into our kingdom by the aid of coups d'état prepared everywhere for one and the same day, after the worthlessness of all existing forms of government has been definitely acknowledged (and not a little time will pass before that comes about, perhaps even a whole century) we shall make it our task to see that against us such things as plots shall no longer exist. With this purpose we shall slay without mercy all who take arms (in hands) to oppose our coming into our kingdom. Every kind of institution of anything like a secret society will also be punished with death...” Protocols #15 p. 192

Do you see how their plans for world revolution will come? By the overthrow of all existing governments! Friends this is communism speaking its foul breath to the world, look at the chart on the next page. This same thing is prophesied in Rev 17:8, 11-13, 16.

Those who serve God in Spirit and in Truth will escape this revolution that takes place in the last fifteen (15) days of the earth's history! See Rev 16:15 and Rev 17:14

CONNECTIONS HAS ALREADY BEEN ESTABLISHED TO CONTROL THE WHOLE WORLD.
