We are told that the work of **Christian Spiritualism** in the last days would be to perform great miracles to bring the whole earth into rebellion against God (Revelation 16:13,14). Especially in the United States will it speak like the dragon, which is Satan (Revelation 13:11; Revelation 12:9), with the aim to convince the whole world by means of these wonderful miracles, to set up a system called the "image of the beast" to cause men to worship the beast and his image, and to facilitate the enforcement of the **mark of the beast** that the world will receive it (Revelation 13:13-17). The major power behind these tremendous events that brings about the end of the world is a **false prophet** or **Christian Spiritualism**, apostate Protestants in the United States (Revelation 19:20). Thus we need to understand just **what** is the "image of the beast", and what is so **important** about it that **demons** work marvelous miracles to call for its establishment **first** in the United States, and then call fire down from heaven, like Elijah, to convince the whole earth to also set up such a system (Revelation 13:13,14). The **beast** whose image is to be replicated is the **Roman Catholic Papacy**. We know this because it is this power that received the wound with the sword and did live (Revelation 13:1-3,12). He influenced nations religiously for a prophetic **42 months** which is **1260 days** counting each month to have **30 days**. And since each day is a **year** in prophetic reckoning (Numbers 14:34), the time is **1260 years** which spans from the year **538 ACB** when the Papacy gained **legal control** over all religions of the Empire by the help of **Emperor Justinian**, to the year **1798 ACB** when the Papacy was temporarily **overthrown** and **abolished** by a contingent of the French army acting under the orders of **Karl Rothschild** (Revelation 13:5-10). But we need to look at the Papacy for what it is. It is a **government** (of Roman Catholics) in the **Vatican** and at the same time it is a **religion**. As a government it is **anti-Rights and Freedoms**, a value that is in fact revealed in its long history of **persecuting** people (Revelation 13:7; Revelation 16:6; Revelation 18:24). This **anti-Rights and Freedoms** nature of the Papacy is the essence and meaning of **Communism** which teaches the following: "The ideas of religious liberty and freedom of conscience, merely gave expression to the sway of free competition within the domain of knowledge There are besides, eternal truths, such as Freedom, Justice etc., that are common to all states of society. But Communism abolishes eternal truths, it abolishes all religion and all morality ..." Karl Marx and Friedrich Engels, **The Communist Manifesto**, pp. 103,104. Thus the Papacy is **Communitic** in its **government**. What then do we call a government that is communistic in its regards for Rights and Freedoms while it is a religion? The only solution to explain this is to **combine** communism and religion together, this will give us the hybrid word **COMMULIGION**. This is exactly what the Papal beast is, it is **Catholic Commuligion**, a no Rights, no Freedoms system that enforces its religion. Thus in the United States, the **image of the beast** is **apostate Protestants** no Rights and Freedoms system that enforces its religion. Thus the image of the beast will be a system of no Rights and Freedoms that **enforces religion**, this is **Protestant Commuligion**. In the land of **republicanism** as guaranteed by the U.S. Constitution, which states that "The United States shall guarantee to every State in this Union a republican form of government ..." **Documents of Freedom**, p. 25, and, Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof ..." **Ibid**, p. 28, and also, as George Washington warned, to avoid all forms of government that are "... hostile to republican liberty." **Ibid**, p. 45, Christian Spiritualism will work miracles by the aid of demons, calling for the **removal** of **Republicanism** which sustains **liberty of conscience** and its replacement with **Commuligion**. Great **miracles** will be wrought to convince legislators that God wants the changing of the U.S. Constitution from **republican liberty** and **replace** it with **Commuligion**, and to make the system work with **legislative** and **executive** life, so that it can speak by **law**, and cause by **enforcement, obedience worship** to the beast, his image, and to receive the **mark** of the Papal Commuligion Beast, which is **Sunday holiness**, to convert the world to God (Revelation 13:13-17). Great, grand miracles will be wrought all over the world by demons through ministers of Satan (2 Corinthians 11:13-15), to convince the world to set up a **Commuligion** system of governance to prepare the world in rebellion against God (Revelation 16:13,14). Warning! All these terms and concepts used in this tract must be learned to help people explain and understand what is soon to come. Amen.
